

# Nurse Tech at INTEGRIS Health

INTEGRIS Health has exciting job opportunities specifically for students enrolled in an RN or LPN program. These positions provide opportunities to work in various departments and facilities to explore caring for multiple patient populations. The positions are tailored to fit the needs of students to allow for career development as you progress through nursing school yet maintain flexibility around your school schedule.

**Applicants:** Any student enrolled in a nursing program.

**Occasional Part Time:** 16 hours/month minimum requirement; may work more if desired.

**Shifts:** 4-, 8- and 12-hour shifts available.
