

Nursing Education Advancement Program

INTEGRIS Health offers financial support to current RN caregivers advancing their nursing education.

Caregivers returning to an accredited school seeking one of the following degrees are eligible:

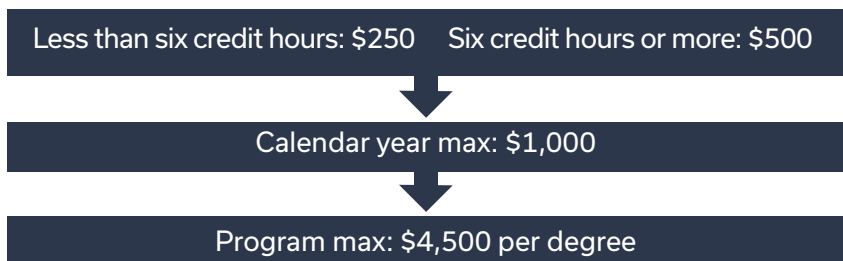

- BSN
- MSN
- DNP
- PhD

*Selected degree paths require additional review.

Program Details

- Financial assistance is provided to caregivers working concurrently while in school.
 - For every \$1,000 received, a caregiver must work 1,040 hours, six months full-time or one-year part-time.
 - Working 20 hours a week while in school will fulfill the work commitment.

Assistance Amounts
